Step-by-Step Instructions

1

Soak the stake pieces and bottom filler pieces.

Find the **rough** sides and **centers**.

Lay the 5 - 30" pieces out horizontally in front of you, **rough sides up**.

Lay the 4 filler pieces in between the stakes.

Lift horizontal stake **#s 1, 3, and 5**, and slide the market d handle **underneath** the three lifted stakes and **over** the fillers and their stakes.

(Always treat the bottom fillers and the stakes in between the fillers as single stakes when over and under weaving.)

2

Over and under weave 6 - 19" stakes vertically to the right of center and 6 more to the left.

Square up the base to **5½" x 16½"**.

Fold the ends of the filler pieces and tuck them into the **third** vertical stake from each end on the bottom of the basket, clipping them to hide under the stake.

Upsett the stakes.
